

Catholic Youth Camp Work Weekend 2018

April 27-29, 2018

Volunteer to help CYC open camp! We provide the food, you provide the hard work!

We are looking for volunteers of all skill levels to help us open camp for the season! We are recruiting groups to adopt one of the projects below, or sign up on your own and join in the general camp clean up crew. Volunteers must be 12 years or older and accompanied by an adult.

2018 Projects

1- Fire Pit Area- There is a small area (about 15x15) that has a run down fire pit with a few logs for seating. We want to transform that space by digging out the area to flatten the ground, clear the surrounding trees, build seating and make it a nice space for 15-20 people to sit around the campfire. We need the following assistance-

- Someone who can work with us to design and plan the space
- Someone who knows how to level the ground
- Several hard workers who can help with the digging, leveling, and clearing surrounding trees

2- Large Fire Circle Rehab Project- Our main fire circle seats approximately 120 people on small benches. We need to expand the seating to accommodate more people and we would also like to replace the existing benches.

We need the following assistance-

- Someone who can build long benches (see picture)
- Several hard workers who can help with the digging and leveling the ground

Examples-

3- Cabin Area Rehab- Our boys' cabin area is overgrown with brush, fallen trees, uneven paths, etc. We need some hard workers who can haul logs and brush, clear paths, and help us beautify the grounds.

We need the following assistance-

- Someone who can operate a chainsaw
- Several hard workers who can help with hauling logs, raking, picking up brush, etc.

General Camp Cleanup- We also need help all around camp with raking, picking up brush, moving equipment, and preparing for the opening of camp.

- We need several hard workers who are able to carry canoes, picnic tables, benches, and other equipment around camp, as well as rake leaves, haul brush and firewood, and many other small projects.
